

Privacy Notice

This privacy policy for the Eastwood Group of Companies explains how we use any personal information we collect about you. The Companies incorporated within the Group are Eastwood & Partners Ltd trading as Eastwood Insurance Brokers, Eastwood Private Clients and E&P Risk Services Ltd trading as EP Risk Consultancy.

What information do we collect about you?

Personal information which you supply to us may be used to arrange insurance contracts.

How will we use the information about you?

We collect information about you to arrange insurance on your behalf, manage your insurances and provide you with information on developments and new products in the Risk and Insurance Industry.

Some or all of the information you supply to us in connection with your insurance proposal may be passed to insurance and other companies for underwriting, claims, premium collection and statutory requirements. Your data will be held in accordance with current data protection laws. Information collected to assist in the administration of an insurance contract will be held for no longer than necessary for regulatory and legal purposes.

We will only use your personal information when the law allows us to. The main reasons are where we need to perform a contract we have entered into with you, where we need to comply with a legal obligation or where it is necessary for our legitimate interests (or those of a third party). We may also use your information where it is needed in the public interest (or for official purposes).

How do we use information collected from our website?

Information collected from the enquiry form on our website may be used on the basis of legitimate interest for arranging insurance contracts.

You have the option to update your cookie preferences at any time by clicking on the cookie control icon in the bottom right hand corner of the screen.

Where you provide consent, our website will use Google Analytics to analyse the use of the website. Google Analytics generates statistical and other information about website use by means of cookies, which are stored on users' computers. The information generated relating to our website is used to create reports about the use of the website. Google will store and use this information. Google's privacy policy is available at www.google.com/privacypolicy.html.

Information collected for marketing purposes is destroyed after 2 years.

Website data is stored in the UK.
